

## **In this poor weather, the needs of the homeless of Manchester grow.**

Following your generous Harvest donations Barnabus (a Manchester charity supporting the homeless) have asked if we could support them by donating the following essential winter items:

- \* **hats, gloves and scarves**
- \* **waterproof jackets, warm coats**
- \* **walking shoes and trainers**
- \* **men's jeans**
- \* **blankets and sleeping bags**

The previous items you kindly donated are still very much needed:

- \* **new socks and boxer shorts**
- \* **crisps, biscuits and small chocolate bars**
- \* **tinned food e.g. hot dogs, beans, soups**
- \* **dried goods such as pasta and rice**

The collection boxes at the back of Church are ready to receive gifts. Our Youth Group, Steppyng Stones, will again help to prepare deliveries as the boxes are filled.

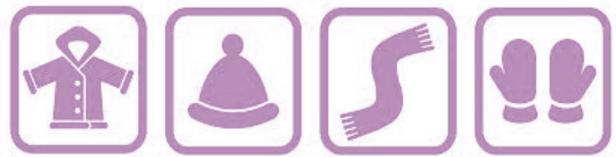

At this time of year as we turn the heating up and light our coal fires the men and women Barnabus support become acutely aware of their own circumstances. If we ever needed a reason to especially bless our friends, this is the time. Please consider what extra item you could purchase with your weekly shop, as most food retailers sell cheap warm hats and gloves, socks and boxer shorts.

**Barnabus are so thankful for any items you can give.**
